

# Individual Signatory Form

## Congratulations on choosing to become a signatory of the Manitoba Food Charter!

By signing the Manitoba Food Charter you are pledging to work towards strengthening food security in our province. To become a signatory, identify actions related to food security that you can strive for at home, work, school, and in your community.

Food Matters Manitoba offers support to groups and individuals to help them develop commitments towards a just and sustainable food system. Signing the Charter provides you with the opportunity to become a member of the Food Matters Manitoba network. Network membership offers many benefits, including monthly e-newsletters, priority information on conferences, events and training as well as access to the province-wide food security network.

Signing the Manitoba Food Charter provides you with the opportunity to become a member of the Food Matters Manitoba network. Would you like to become a member of the network?

**Yes**, I want to receive Food Matters Manitoba's monthly e-newsletters about Manitoba food security, priority information on conferences, events and training as well as access to the province wide food security network.

**No**, I am only interested in signing the Manitoba Food Charter.

**Please take a few minutes to read the Manitoba Food Charter provided to you.**

## Action Steps

What activities are you *presently* involved in that increase food security in Manitoba? (i.e. eating local foods, community gardening, raising awareness about hunger, etc.)

---

---

---

---

---

What specific *future* food security actions can you work towards? Please describe these actions.

---

---

---

---

---

What other food security activities would you would like to see happen in the province?

---

---

---
